PROFESSIONAL EXPERIENCE

Dentsu

Account Services Manager | 07/2026 – Present | Promoted

- Sustain delivery in full above 98% across 100–130+ concurrent RMN campaigns on GAM, DV360, TTD, Meta, Pinterest, and Pentaleap through daily pacing, QA, and optimization.
- Manage Pentaleap campaign setup, keywords, budgets, optimization, and UPC lists; handle LiveRamp audience segmentation and LiveIntent email and offer activity.
- Coordinate campaign priorities with US onshore colleagues and participate in client-team campaign discussions for five advertisers.
- Beta-test a Copilot Studio prototype that uses SharePoint information to identify trafficking sheets across a 100+ advertiser environment.

Account Manager | 12/2023 – 06/2026

- Freed at least 10 hours per week by designing API-integrated AdReform workflows for automated onsite native and offsite TTD/DV360 placement screenshots.
- Recovered 619,636 missed impressions through campaign optimization after identifying underdelivery across multiple flights and coordinating allocation to the active flight.
- Diagnosed a website crawl-access issue affecting DV360 creatives across 50+ advertisers; provided remediation recommendations implemented by the client's developers.
- Owned optimization within the retail media campaign delivery tracker, addressing underdelivery and escalating bid-cap and budget constraints with US activation teams.
- Corrected Meta budget discrepancies, flagged duplicate live campaigns for deactivation, and escalated GAM pricing and campaign setup documentation errors.
- Isolated a landing-page issue by testing tracking parameters that triggered incorrect product filters; documented findings for escalation to the client's technical team.
- Advised US activation colleagues on DV360 bidding, frequency, and targeting diagnostics to guide campaign optimization.

Freyr Solutions

Paid & Programmatic Specialist | 04/2023 – 10/2023

- Managed an INR 1 million monthly budget across Meta, Google, and DV360 for Solva skincare, supporting sell-through of inventory valued above INR 100 million.
- Raised ROAS from approximately 0.78 to 1.2 in the first month through Meta Advantage+ campaigns, seasonal promotions, and customized landing pages.
- Achieved blended ROAS of 4.8 by month six, including awareness spend, by introducing DV360 in month two alongside Meta Advantage+ and Google Performance Max.
- Supported the sale of most existing inventory and recovery of prior advertising, inventory, and other losses attributable to Solva.

OTSI

Digital Marketing & Programmatic Specialist | 12/2021 – 04/2023

- Managed YouTube Masthead booking, pacing, and reporting for OTSI at Snowflake Summit 2022, reaching 150,000+ unique people; advised the creative team.
- Expanded OTSI's Google Ads and Facebook Ads activity into programmatic awareness in 2022 by coordinating DV360 reseller access, campaign setup, and audiences.
- Supported OTSI's event promotion as a Summit partner and sponsor focused on banking and software sectors, contributing to 500+ registrations.
- Generated leads that the sales team converted into five booth sales at Snowflake Summit 2022.

Shiftwave Technologies

Digital Marketing Manager | 07/2018 – 07/2021

- Led 10 direct reports across SEO, paid advertising, social media, and content, assigning work, training colleagues, and reviewing deliverables.
- Helped increase Express Flooring sales by 45% and Bodcor sales by more than 35% over eight months through landing pages, video reviews, revised targeting, and SEO.
- Improved core business keyword rankings and time on site through SEO, expanded search terms, and website and content improvements.
- Gathered client requirements and developed marketing strategies through client calls and team planning.

Earlier Experience

Freelance Digital Marketing Consultant | Independent | 09/2017 – 07/2018

- Delivered content creation, SEO, and paid advertising services for multiple clients.

Founder | Myvash.com | 08/2015 – 09/2017

- Founded a technology blog reaching approximately 120,000 in global Alexa rank in 2015; managed website setup, writing, SEO, social promotion, and monetization.
